These Conditions of Participation are drafted and available in French and in English; both versions are binding.

I understand that in case, under the laws applicable in my country of residence, I am a minor or without legal capacity or in any case, under 18 years old at the time of signing this Conditions of Participation form, my participation in the Games is also subject to my parent(s) or legal guardian(s) authorising my participation and confirming their agreement with the rules below through their signature of the Parent(s)/Legal Guardian(s) Acknowledgement of Consent for minor or legally incapacitated Participants.

1. COMPLIANCE WITH THE OLYMPIC CHARTER AND OTHER RULES

My participation in the Games is subject to me complying with certain fundamental rules which aim at ensuring the integrity of the Games, protecting the health of the Participants to the Games and protecting clean athletes.

I confirm being aware of and know the rules and responsibilities applicable to my participation in the Games, which have been brought to my attention by my National Olympic Committee (“**NOC**”), the International Federation (“**IF**”) governing my sport, Paris 2024 and/or the IOC, among others through the IOC’s official website: www.olympics.com/ioc. I agree to comply with all these rules and responsibilities in particular those arising from the following:

- a. the provisions of the Olympic Charter, including the peace mission of the Olympic Movement;
- b. the World Anti-Doping Code, as well as the IOC Anti-Doping Rules applicable to the Games and any related regulations, such as the IOC Needle Policy & Rules for the Games of the XXXIII Olympiad in Paris, France;
- c. the IOC Code of Ethics, including, in particular, the Rules on the Prevention of the Manipulation of Competitions applicable to the Games;
- d. the IOC Framework for Safeguarding Athletes and Other Participants from Harassment and Abuse in Sport (Games time Period) (2023);
- e. the IOC Social and Digital Media Guidelines; and
- f. any other set of rules and instructions (including any update thereof) related to my participation to the Games.

My compliance with such rules supports the mission of the IOC and of the Olympic Games to promote unity and peace.

2. CAPTURE AND USE OF IMAGES AND CONTENTS

As a Participant, I may be filmed, photographed, identified and/or otherwise recorded at the occasion of the Games. Images of me taken at this occasion may be used together with related information as part of the media coverage of the Games, or otherwise to inform the public about the Games and promote the Olympic Movement.

I understand that the Games are an exceptional and public event which has ongoing international and historical significance. In consideration of the acceptance of my participation in the Games, I agree to be filmed, photographed, identified and/or otherwise recorded during the Games. I further agree that the resulting filmed, photographed or recorded image (together with my name, likeness, voice, performance and biographical information) may be used and/or distributed (including by reproducing, distributing, communicating to the public and making it available), in any content and through any media, format or technology whether now existing or created in the future, without compensation (financial or otherwise), for the maximum duration permitted by applicable law, by Paris 2024, the IOC and any entity, now existing or to be created, which is directly or indirectly controlled by the IOC, including without limitation Olympic Broadcasting Services SA (Switzerland), Olympic Broadcasting Services S.L. (Spain), Olympic Channel Services SA (Switzerland), Olympic Channel Services S.L. (Spain), IOC Television & Marketing Services SA (Switzerland), the Olympic Foundation (Switzerland), The Olympic Foundation for Culture and Heritage (Switzerland), the International Olympic Truce Centre (Greece), the Olympic Refuge Foundation (Switzerland) and the Foundation for Universal Olympic Ethics (Switzerland) (“**IOC’s Affiliates**”) and/or by third parties authorised by them (such as Organising Committees for the Olympic Games or the Youth Olympic Games, National Olympic Committees, International Sports Federations, the Olympic Marketing Partners (TOP Partners and Rights-Holding Broadcasters), domestic partners and other commercial partners, broadcasters, media rights holders, news media organisations or social media platforms), during and after the Games in relation to the preparation, operation, celebration and direct or indirect promotion of, or reference to, the Olympic Games, the Olympic Movement and/or the IOC and its activities, in a commercial or non-commercial context, **but excluding any use that creates a direct commercial association between my image alone and any product or service of any third party, without my separate written consent.**

I acknowledge that the IOC holds various exclusive rights in the Olympic Games (including the Games), pursuant to Article L.333-1 of the French Code of Sports and, as the case may be, author’s rights and trademarks rights. I understand that such exclusive rights prohibit the commercial exploitation and the marking available to the public of photographs, sound recordings or videos of the Games by any individual or entity not expressly authorised to do so by the IOC and/or Paris 2024.

I acknowledge that I may take or record still and moving images and/or sounds within the perimeter of the Games’ areas and venues where the Games and related events occur, as designated by Paris 2024 (“**Games Areas**”), for my personal, private, non-commercial and non-promotional use, subject to compliance with the IOC Social and Digital Media Guidelines.

To the extent permitted by applicable laws, I agree that the IOC shall be sole owner of any intellectual property rights (including copyright) in such content without further authorisation from, or payment or compensation to, me or anyone acting on my behalf, and I hereby assign any rights I may have in respect of such content to the IOC. To the extent permitted by applicable laws, I hereby agree to waive or not to exercise any moral rights I may have in respect of such content against Paris 2024, the IOC and any third parties authorised by them, including without limitation the right to make derivative works or to modify the content.

Pursuant to the above, I acknowledge that the IOC hereby grants me with a limited and revocable license to use the still and moving images and/or sounds that I take or record within the Games Areas, provided that such use is personal, private, non-commercial and non-promotional and that otherwise complies with any additional IOC requirements (including the IOC Social and Digital Media Guidelines). I acknowledge that I am solely responsible for the use of these still and moving images and thereafter, I release Paris 2024, the IOC, the IOC’s Affiliates, and any third parties authorised by them (and their respective members, directors, officers, employees, volunteers, contractors or agents) (collectively, “**Released Parties**”) from any responsibility in connection with them. I understand that, in case of breach of the IOC Social and Digital Media Guidelines and/or any other rules or guidelines regarding the recording or making available of content, the IOC shall be entitled to take any action in order to remedy such infringement.

I acknowledge that I am prohibited from: (i) taking pictures and videos and from recording audio or making any other recordings in any “Photography Prohibited Area” designated in the Games Areas and its surrounding areas, as well as in any other restricted areas designated by Paris 2024, the IOC or any other authorised person and (ii) collecting, disseminating, transmitting, or publishing any scores, statistics or other information related to the Games taking place within the Games Areas for any commercial, betting or gambling purpose.

3. SPORT COMPETITION INCLUDING MUSIC AND OTHER CREATIVE ELEMENTS AS PART OF PERFORMANCE

My performance may include music and other creative elements (such as a choreography or a designed outfit) for which I acknowledge that the use of these elements may require third-parties’ consent.

I confirm that I have obtained all rights and authorisations in connection with any creative elements included in my performance for them to be filmed, televised, photographed, identified and/or otherwise recorded as part of my performance at the Games, without any restriction or required payment, compensation or authorisation for Paris 2024, the IOC, the IOC’s Affiliates, for their use in accordance with the terms described under Section (2) hereabove. In particular with respect to music (musical compositions and sound recordings), I confirm that, when obtaining or commissioning it, I have obtained all required authorisations and consents, in particular, in regard to its editing and adaptation to my performance for its use in accordance with the terms of this provision. I agree that I will report on the musical compositions and sound recordings used, in accordance with the processes and guidelines put in place by Paris 2024 in this respect.

4. ACKNOWLEDGMENT AND ACCEPTANCE OF RISKS WHILE PARTICIPATING IN THE GAMES

My participation in the Games may imply exposure to certain risks (e.g. injury, loss of property, infectious diseases), which despite all care taken by Paris 2024, the French authorities, the IOC and the IOC's Affiliates may not be completely eliminated.

I agree that I participate in the Games at my own risk and own responsibility, including any potential impact on my participation and/or performance in the Games, serious bodily injury or the potential exposure to health hazards such as the transmission of infectious diseases while attending the Games (including the travel to/from the Games and its preparations), and that I will take all reasonable and appropriate measures to protect myself from the risks related to my participation and to mitigate the risk of such exposure. I also agree that I am responsible for all property I bring into the Games Areas and that the Released Parties shall have no responsibility for any loss or damage to this property.

To the fullest extent admissible under applicable laws, (i) I irrevocably release the Released Parties from any liability for any kind of loss, injury, infectious disease or damage that I, or my property may suffer or be exposed to in relation to my participation in the Games and (ii) notwithstanding the foregoing, in any event where the Released Parties are liable for any damages I suffered under the applicable laws, I agree that the Released Parties' liability shall be limited to actual and direct damages which are reasonably incurred by me.

5. PROCESSING OF PERSONAL DATA

Paris 2024 and the IOC will process certain personal data about me for several purposes including the following: allow my participation in the Games, ensure the security at the Games, manage accreditations, competitions and results, carry out the anti-doping activities, prevent manipulations of competitions and provide services to Participants and to the media. All fields in this form are mandatory for those purposes.

I confirm that I have read and understood the "Information Notice on the Processing of Personal Data of Participants and other Accredited Persons" (as reproduced in Annex 1A to these Conditions of Participation and referred to as "**Information Notice**") which contains important information regarding the processing of my personal data, in particular the purposes of such processing, the communication of my personal data to third parties and a description of the rights I have in relation to my personal data and that I can exercise following the modalities provided in Section 9 of the Information Notice. I further acknowledge that complementary information regarding the processing of my personal data, including health-related information, will be provided to me in due time, in particular, in case I am subject to doping controls (as indicated in the Information Notice in Annex 1A) and agree to read carefully such complementary information.

My personal data will be processed in a manner consistent with the Information Notice. I also acknowledge that some of my personal data will be communicated from the NOC to Paris 2024, and that such personal data will be subsequently communicated from Paris 2024 to the IOC and/or other recipients set forth in Section 5 of the Information Notice including those located outside of France. I understand that I am responsible to ensure that any personal data about me that I provide, directly or through third parties, to Paris 2024 and/or the IOC in connection with my participation in the Games is accurate and up to date.

6. INFORMATION ON THE USE OF DOPING CONTROLS SAMPLES

My participation in the Games, or any training to that effect, may imply doping controls that inter alia may lead to the examination of genetic characteristics for specific purposes listed below.

By participating in the Games or training to that effect, I understand that blood or urine samples collected in the context of doping controls may be used - when no other techniques are available - to compare genetic fingerprints and examine genetic characteristics for the sole purpose of detecting the presence or use of a substance or method prohibited by the French Code of sports.

The use of genetic analysis is limited to the detection of: (i) the administration of homologous blood, (ii) the substitution of collected samples, (iii) a genetic mutation in one or more genes involved in performance leading to endogenous production of a prohibited substance, (iv) a genetic manipulation that may modify somatic characteristics for the purpose of enhancing performance.

Please note that these samples may incidentally reveal the existence of genetic characteristics that may be the cause of an illness requiring preventive or curative measures for you or potentially affected family members. If this is the case, you will be informed of such incidental discovery, unless you decide to refuse to be informed. If you decide to refuse to be informed about such incidental discovery in the event of a doping control, you acknowledge and accept that your refusal may prevent you and your potentially affected family members to benefit from preventive and curative measures, including genetic advice.

BY TICKING THIS BOX, I REFUSE TO BE INFORMED OF ANY INCIDENTAL DISCOVERY OF GENETIC CHARACTERISTICS THAT MAY BE THE CAUSE OF A SERIOUS ILLNESS REQUIRING PREVENTIVE (INCLUDING GENETIC ADVICE) OR CURATIVE MEASURES FOR ME OR POTENTIALLY AFFECTING MY FAMILY MEMBERS, AND WHICH MAY HAVE BEEN REVEALED IN THE EXAMINATION OF DOPING CONTROLS SAMPLES.

7. ARBITRATION

The Court of Arbitration for Sport is exclusively competent to finally settle all disputes arising in connection with my participation in the Games

Unless otherwise agreed in writing by the IOC, any dispute or claim arising in connection with my participation at the Games, not resolved after exhaustion of the legal remedies established by my NOC, the International Federation governing my sport, Paris 2024 and the IOC, shall be submitted exclusively to the Court of Arbitration for Sport (“CAS”) for final and binding arbitration in accordance with the Arbitration Rules for the Olympic Games, and the Code of Sports-related Arbitration.

The seat of arbitration shall be in Lausanne, Switzerland and the language of the proceedings English. The decisions of the CAS shall be final, binding and non-appealable, subject to the action to set aside to the Swiss Federal Tribunal.

I hereby waive my right to bring any claim, arbitration or litigation, or seek any other form of relief, including request for provisional measures, in any other court or tribunal, unless otherwise agreed in writing by the IOC.

8. GOVERNING LAW

These Conditions of Participation shall be interpreted in accordance with Swiss law, without reference to its conflict of law rules.

- a. I agree that the Participant will take part in the Games at his/her own risk and own responsibility, including any potential impact on the Participant's participation and/or performance in the Games, serious bodily injury or the potential exposure to health hazards such as the transmission of infectious diseases while attending the Games (including the travel to/from the Games and its preparations); that it is the Participant's responsibility to take all reasonable and appropriate measures to protect himself/herself from the risks of participation and to mitigate the risk of such exposure.

The seat of arbitration shall be in Lausanne, Switzerland and the language of the proceedings English. The decisions of the CAS shall be final, binding and non-appealable, subject to the action to set aside to the Swiss Federal Tribunal.

I hereby agree that I waive my right as well as the Participant's right to bring any claim, arbitration or litigation, or seek any other form of relief, including request for provisional measures, in any other court or tribunal, unless otherwise agreed in writing by the IOC.
